Work Appreciated

Former members of the now discontinued Rationing Board of Northfield have received a certificate of appreciation for their volunteer but patriotic service for the Government in the Office of Price Administration. The certificates are signed by the President of the United States and issued from his office in the White House. They were distributed here to the members by Charles L. Johnson, who served as chairman of the board and who rendered most noteworthy service.

Coming Wedding

The marriage of Miss Arlene Louise Finch, daughter of Mr. and Mrs. Cortland Raymond Finch, and Milton Hughes Flocken, of Greenfield, will take place on Wednesday, September 4, at 4 o'clock in the Russell Sage Chapel on the grounds of the Northfield School for Girls, according to invitations which have just been issued. Reception at the home-stand follows.

Teacher To Marry

Miss Marjorie L. Tyler, daughter of Mr. and Mrs. W. C. Tyler, of South Vernon, and John A. Unaitis, of Greenfield, will be married according to announcement in October. Miss Tyler is a graduate of Castleton (Vt.) Normal School and has taught at Benson, Vt., and Warwick. She was under appointment as a teacher in the Northfield schools. She served in the WAVES during the war.

Town Topics

Miss Effie McKinnon, of Rochester, N. Y., is visiting her aunts, the Misses Ayers, at their summer home in the Highlands. Miss McKinnon will go to St. Louis, Mo., this fall to take up her work of teaching.

Mr. and Mrs. Charles W. Harbison, who for the past two and a half years were in a civilian internment camp in Shanghai, China, are now visiting her aunts, the Misses Charlotte and Sarah Ayer in the Highlands, accompanied by their young son, Hugh, 10 months old. Mrs. Harbison is the former Frances McKinnon. They expect to return to China the first of next year under the Episcopal Board and Mr. Harbison will teach in Soochow Academy.

Lightning struck a large tree in the woodlands back of the Pine Grove section of Rustic Ridge in the severe storm of Saturday, the 10th. No serious damage was reported anywhere in this town.

Northfield Invited

The citizens of Northfield, especially its patriotic organizations, have been invited to participate in the "welcome home" celebration to be held in Greenfield on Labor Day. Chairman Ernest A. Parker has received a letter sent to the selectmen from the County Commissioners extending the invitation. The mammoth parade will be a feature of the completed program. Plan now your co-operation for Labor Day in this welcome home to the young men returned from war service.

Pastels Were Shown

Mrs. Mildred G. Nims, of Main Street, gave a showing for the first time in Northfield of her pastel flower portraits on Thursday afternoon, August 22. A large number of friends responded to an invitation and viewed with pleasure the excellent work done by the artist. Every portrait proved to be so realistic that they conveyed the mastery of its creator. Refreshments were served.

William Dale Dies

William H. Dale, a native of this town, died after a brief illness at the Farren Memorial Hospital on Wednesday, August 14. He was the son of Patrick and Katherine Dale and had spent his life here as a successful farmer. Recently he had sold his place and bought the Britton home having just completed his transfer of residence. He was well known here, of fine character and much interested in town affairs. Surviving is his wife, the former Nellie E. Murphy. Funeral service was Saturday in St. Patrick's Church with burial in St. Mary's Cemetery.

Ridge Assn. Annual

The annual meeting of the Rustic Ridge Association, Inc., was held Tuesday, August 22, in the afternoon, at the summer home of Miss Lucy F. Jackson on Wood Way. There was a large attendance of both active and associate members and President, Rev. Arthur L. Berger presided.

Reports for the past year were presented by the president, treasurer and clerk as well as by the several committees. New owners of properties were introduced and many problems were discussed at the business session. The history of the Ridge was presented in pamphlet form written by the Rev. Dr. Robert Bonner Jack and many copies were readily sold, the proceeds going to the benefit of the road fund. Never has the association been in a more prosperous condition and plans for the coming year are very extensive. The association went on record as endorsing the continuance of the General Conference, the extending of road improvements and making permanent facilities for the ample supply of electricity.

The election resulted in a reelection of all officers: President, Rev. Dr. Berger; vice president, Rev. Dr. W. H. Bollma; treasurer, Rev. W. H. DesJardins; clerk, William F. Hoehn; assistant clerk, Miss Gertrude Lauber; Thomas J. Duncan and George W. Carr. The usual arrangements were made for the care of grounds and cottages during the winter absence of the owners. Willard Seibert, of Greenfield, was named as legal

Wedded In Ohio

Miss Myrle L. Zeller, daughter of Mrs. Edward H. Zeller, of Lorain, Ohio, and Ralph E. Miller, son of Mrs. Sarella H. Miller, of this town, were married in Lorain in the Emmanuel Evangelical Church on Saturday, August 17.

Miss Gertrude Alexander, of Cleveland, Ohio, was maid of honor and Miss Berdent Stokes, cousin of the bride, was bridesmaid. Jay Zeller, uncle of the bride, gave her in marriage. Lloyd Worcester, of Elyria, was best man, and Max Worcester, of Elyria, and Paul James, of Lorain, were ushers.

After the ceremony a reception was held in the church parlors and the couple left on a wedding trip. They will reside in Lorain.

The bride is a graduate of Norwalk (Ohio) High School and the bridegroom is well known in Northfield where he formerly resided and graduated from the local high school and Mount Hermon School as from the Berty School of Boston.

Tax Collector Charles F. Slate is sending out tax bills for 1946 and there is a separate bill for every parcel of property. Most of us will study the new forms.

counsel for the association. After a session which lasted all afternoon the social and hospitality committees served refreshments. A list of the committees will be published in the next issue of "The Press."

Want To Carry Mail?

Rumor has it that bids will soon be called for the delivery of the mail between the railroad station and the Northfield and East Northfield post-offices owing to the fact that the time has arrived for such bids and that Mr. Slate will resign the work. Here then is an open opportunity for someone who desires to seek the responsibility of the task. More information can be secured upon request by the postmaster.

Extend Hospitality

The Misses Maude and Carrie Curtis recently entertained the following persons at their home on Rustic Ridge: Mrs. Fred Hawes, Mrs. Lydia Hall, Miss Marian Chapin, Miss Florence Gough, Miss Ethel Wooster, Miss Lucy Curtiss, Miss Alta Dale, Miss Mabel Swift, Miss Florence Fowler and Miss Ruth Browne. This is a fine achievement in hospitality with our summer sojourners.

THANK YOU for waiting for delivery of your NEW CHEVROLET

We are doing our best to see that you
get your new car as quickly as possible

Remember—Our CAR-SERVICE is your best CAR-SAVER. Keep your present car "alive" until you get delivery of your new Chevrolet by bringing it to us for skilled service now and at regular intervals.

JORDAN MOTOR SALES

East Northfield, Mass.

We want to thank our customers and prospective customers for your friendly patience while awaiting your new Chevrolets.

We know it is a hardship to wait for needed transportation; but we believe you will understand that we, and Chevrolet, are as eager to deliver cars as you are to obtain them. Unfortunately, production so far this year is far under expectations. Chevrolet Motor Division sums up the situation thus:

"Even though our rate of production normally exceeds that of any other manufacturer, we have been able to build, up to July 1, only 12.4 per cent as many cars as we had built up to that date in 1941. Production is still far below normal, because of frequent shortages of essential materials and parts. Strike after strike at the plants of our suppliers has seriously impeded our progress toward full production, and the cumulative effect severely hampers every manufacturing and assembly plant. In June we were able to build only 29.2 per cent as many cars as we produced in the same month in 1941."

While production is restricted, so—in proportion—are shipments of cars to us. As production increases, we are assured of getting our proportionate share of the total—and as quickly as cars are received, we will speed deliveries to our customers.

SHERWIN 9700

To Telephone Users in New England:

August 14, 1946

During the summer months long distance telephone calls in some sections of New England, particularly the resort areas, have become unavoidably delayed. We know that these delays have been not only inconvenient to you but in some cases even a hardship. We believe that you have the right to know what is causing this condition and what is being done about it.

Here in New England we have added 210,000 telephones to our system since V-J Day, over two and a half times as many as in any corresponding period in our Company's history. This, together with an unprecedented increase in usage by those who already had telephones, has resulted in an increase for the month of July of forty-five million local calls and three million out-of-town calls over July of last year. This is not peculiar to New England -- it is typical of a nation wide condition which has been developing during the last several months.

In many places long distance calls are going through as speedily and as accurately as ever. In most of our larger centers nine out of every ten calls to out-of-town points are still going through within three minutes, and usually while you are still holding the line. In certain resort areas, however, long distance calls are subject to delays.

To overcome this congestion we need more circuits and more switchboards. Although these were ordered many months ago in anticipation of this condition, they just are not to be had. The world wide shortage of essential materials such as copper, lead and zinc, has seriously retarded their manufacture which had been stepped up to meet the demand held back during the war years, when practically nothing was manufactured for civilian telephone service.

The New England Telephone & Telegraph Company is, nevertheless, doing everything possible to facilitate the handling of calls coming from its 1,800,000 telephones.

Since the first of the year we have added 9000 men and women to our forces, an increase of 35%. Of this number, 6000 were operators employed and trained so that when the need arose we could operate every available switchboard position from early morning until late in the evening. We are continually rearranging many lines in our long distance network, even shifting facilities during the peak periods to make daytime business circuits available for handling evening residential calls. We have also bought up surplus army equipment for long distance installations in many of the congested areas.

In spite of these measures, the steady increase in telephone calling is heavily overloading our long distance facilities, and many calls to and from our seasonal areas are being necessarily delayed.

You may be assured that we will continue to use our ingenuity in providing every possible temporary expedient to carry us through the summer season. The entire organization of men and women is doing a superlative job under extreme conditions in the task of providing more telephone service to more people than ever before.

A most sincere word of appreciation is extended to each of you telephone users throughout New England for your patience and understanding during this very difficult period.

Sympathy In Death

At her home in Springfield, Mrs. Marjorie Wallace (Brainard) Fuller, wife of Willard C. Fuller, died on Monday, August 19, after a long illness. She was born in Thompsonville, Conn., the daughter of Horace K. and Fannie (Brigh) Brainard and was a sister of Mrs. J. F. Schmadeke, well known summer resident of Rustic Ridge, whose home she had often visited.

Mrs. Fuller was a graduate of Simmons College and a member of Faith Congregation Church of Springfield in which she had been an active member. Her two daughters, Miss Barbara Fuller, an assistant registrar at the Northfield School for Girls, and Miss Eleanor Fuller, now at home, survive together with her husband, her sister, Mrs. Schmadeke, and two brothers, Horace H. Brainard of Thompsonville and Leslie C. Brainard of West Hartford.

She was an ardent Christian worker, active in her church and all good work including the Children's Aid, of which she was a board member. The funeral services were held Wednesday in Thompsonville with the Rev. Dr. Dwight L. Cart officiating and burial was in the Enfield Street Cemetery at Enfield, Conn. Local friends extended sympathy and were at the funeral services.

Fight The Webworm

The trees about Northfield are being infested with the webworm and forestry workers are busy in several parts of the county cleaning away the unsightly pest. The webworm is late this season but will be washed away in the fall rains. The webworm is not seriously a destructive pest but rather unsightly. All citizens can help in removing the webworm by cutting off the branches on which they have spun their nests and burning them. The webworm is numerous for a while but gradually dies out. Many birds feed on the parasites.
